The aforementioned financial institutions advertise job opportunities on a rolling basis on job hunting platforms such as LinkedIn, Glassdoor, Adzuna, etc., and different university career portals. We believe that the UK market is exceptionally suitable for job-seeking individuals given its status as one of the three most important global financial hubs, and its inextricable relationship to the continuous expansion of the HK market.

William Kwok, founder of www.willyouth.org believes that the international financial platform including UK or upcoming US and Asia Pacific opportunities may benefit & expand the horizons of the Youth.
